

## **ANUBIS - FORBIDDEN NAME**

Long ago in an ancient land  
Pyramid stood in burning sand  
It kept mysteries no one could understand,  
Secret tales of Pharaohs Fatherland.

Many Gods wanted the throne,  
But than Osiris come along.  
And Amon Ra, the mighty eye  
Gave him the kingdom of Earth and Sky.

**One day I said the forbidden name,  
And my life would never be the same.  
I woke the long forgotten flame  
And the curse strikes again!**

**Name! Name! Name! Cursed! Name! Name! Name!**

Seth was angry with his brother king,  
He wanted to possess just everything.  
Not obeying the wish of their father,  
Evil Seth slew his own brother.

The curse was born with Anubis,  
**Jackal god from the dark abyss.**  
Hiding from daylight, afraid of the sun,  
Into a bottomless pit Anubis ran.

**One day I said the forbidden name,  
And my life would never be the same.  
I woke the long forgotten flame  
And the curse strikes again!**

**Name! Name! Name! Cursed! Name! Name! Name!**

He was (the) only son of Seth  
But for Osiris, in the dark he wept.  
He helped Horus, his good brother,  
To win the battle against his evil father.  
After the battle between many Gods,  
**Curse was born in the sea of blood.**  
Its flying for ages with a secret name  
Waiting for one to start the deadly game.

**One day I said the forbidden name,  
And my life would never be the same.  
I woke the long forgotten flame  
And the curse strikes again!**

**Cursed, cursed name: ANUBIS GOD OF DEATH!**
