

Sinner Blues

Oh, Little Lady
You Hurt Me SO Bad
The Way That You Left Me
Naked In Bed

Now I Know Your Secret
I Can't Love You No More
'Cos You Are A Junkie Whore
Working On River Shore
Every Night
Under Blue Neon Light

You Hurt My Feelings
You Broke My Heart
My Life Has No Meaning
You Have Torn Me Apart

Dreams Of Vengeance
Days Of Sadness
I Know I'm Losing My Mind
I Open The Gates Of Madness
I'm Falling
In Cold Hug Of Sadness
